

**Glen**

"So **simple** to sail and easy to rig. It's not like other boats that you have to sit in. It's really **comfortable**.

You can hike when you want or sit in when you want."

— Becky, UK

# Bug

"This boat was 'rare!' This boat is really cool... and fast!"

— Hallie, US

"An amazing boat. Very fast. Great downwind and really fast upwind. The bow rips through waves." — Grace, US

"Intense. It's a blast to sail. It rips and really lets you play around without having to bail it out every time you flip. Getting it righted was a breeze." — Pearson, US

"Really stable. Easy to sail. I like the wheel and the fact that you're not sitting in a pool of water." — Aaron, UK

# Bug Features

Oars and Oarlocks store within the hull

Secure Storage Port

Optional Integral Carry Handles when purchased with wheel option

Stackable Hull

Floating Marine Grade Aluminum Rudder

Floating Marine Grade Aluminum Centerboard

Two Available Mast Options

Integrated Water Bottle Holder

Two Position Gooseneck makes switch between the standard and Race rig a snap

Optional Integral Wheel no need for a trolley!

## SPECS

TRANSPORT	CARTOPPABLE	
BUG RACE		
SAIL AREA FT <sup>2</sup> /M <sup>2</sup>	57.05	5.30

<sup>o</sup> MAX WEIGHT WHEN USED AS A TENDER 352LB/160KG

# Versatility

With its innovative dual rig system designed for easy and economical sailing, the Bug accommodates young sailors from championship racers to beginners. Thanks to the Bug's two position gooseneck, both rigs use the same boom and bottom mast section so changing sails takes only a few minutes. With the Bug, you get two boats in one, perfect for young sailors transitioning from one rig to the other and for families with lots of keen sailors.

## RIG OPTION 1

The standard Bug rig is ideal for training novice sailors and building the confidence of young racers. The sail can be reefed by furling it around the mast so you can adjust the sail area to fit the sailor and wind velocity. The rig offers a choice of four colorful sails made of Dacron so they're durable and forgiving.

## RIG OPTION 2

The Bug Race rig was designed for more seasoned racing sailors who want a competitive boat that will help them keep learning. The sail fits onto a unique Power curve topmast section that is pre-bent to create a wing-shaped sailplan for a boat that's fast and fun to sail. The race rig comes with a radial Mylar sail available in two eye-catching designs.
